Methodology: polling

- J.L. Partners polled a representative sample of 591 registered Republicans and undeclared voters who would request a ballot in the New Hampshire 2024 presidential primary
- Fieldwork dates of 13th-20th July 2023, with change shown on 2nd April to 11th April 2023
- Sample collected using mixed methods:
 - Live landline call for 165 responses (28%)
 - Live mobile call for 110 responses (19%)
 - SMS for 275 responses (47%)
 - In-app for 41 responses (7%)
- Quotas were added to ensure representative data: on gender, age, education, partisan registration (Republican or undeclared), race, congressional district, and participation in previous primary elections
- The sample was weighted back to the population using data on the same variables: on gender, age, education, partisan registration (Republican or undeclared), race, congressional district, and participation in previous primary elections
- 10-minute survey
- Margin of error: 3.9%
