NY-03: Special election polling

J.L

PARTNERS.

Methodology and summary of findings

Methodology: polling

- J.L. Partners polled a representative sample of 500 special election likely voters or people who have already voted in NY-03
- Fieldwork dates of 10th-12th February 2024
- Sample drawn from a modelled universe of likely voters drawn from a state voter file, collected using mixed methods:
 - Live landline call for 125 responses (25%)
 - Live mobile call for 125 responses (25%)
 - SMS for 250 responses (50%)
- Quotas were added to ensure representative data: on gender, age, education, partisan registration, race, 2020 vote, and county
- The sample was weighted back to the population using the following variables: on gender, age, partisan registration, race, 2020 vote, and county
- 5-minute survey
- Margin of error: 4.4%

Robert Hur report

6 in 10 voters view Robert Hur's descriptions of Joe Biden as at least somewhat accurate

Special counsel Robert Hur released a report on Thursday into Joe Biden's handling of classified information. In the report, Hur said that President Biden was an "elderly man with a poor memory", had a "significantly limited" memory, and that he "he did not remember when he was vice president", having "diminished faculties and faulty memory". How accurate, if at all, do you think these remarks are about Joe Biden?
